All wood, manure and rubbish must be kept out of the alleys. Keep same on your lot until hauled away. Cattle must not be allowed to walk on sidewalks or on private property. Owners will be held liable. Sewerage or water from drains must not be allowed to empty into street or alley. I will strictly enforce the ordinances. JOE JACKSON, Marshall.

Barnes Family of six persons.

#### INJURED

Dr. Quinn is reported fatally injured.

A tornado struck Barry county Thursday afternoon about 5 o'clock and eleven persons are known to have been killed and about twenty have been reported injured up to noon today.

The cyclone struck about three miles north of Eureka Springs, Ark. and went in a northeasterly direction for a distance of about twenty miles spreading destruction and desolation in its wake.

The heaviest damage was at Golden a small town in the southeastern part of Barry county. Here all of the twenty-one houses in the town were destroyed, except one store and one dwelling. The hard wind terminated at Viola another small in and town. Eleven dead have been reported and Dr. Quinn is reported fatally injured. The Barnes family six in number, living near Golden were all killed.

The Eureka Springs authorities have gone to the relief of the injured and have taken out caskets for the bodies of the dead.

We are indebted to Mr. S. A. Diel editor of the Times Echo, of Eureka Springs for the report of the storm. He also reported a storm in Washington county, Ark., but had received no definite report.

Remember you not only help the fountain fund but also have the privilege of seeing the "greatest show on earth," a baby show.

Watch for the tag sellers and buy as long as your pocket book will permit.

## Election of Teachers

The school board met and elected teachers for the ensuing year Thursday evening. All the present teachers who applied were re-elected. Prof. Blaine remains as superintendent of schools. Ora McNally, principal of Marshall Hill school and Miss Claudia Snider were not applicants.

The teachers elected are as follows:—P. C. Callaway, Mrs. R. C. Inman, Miss Margaret Williamson, Miss Philbrook, James McNally, Misses Nellie Mills, Dummah Hamilton, Rosa Cunningham, Lazinka Chappell, Delia Largen, Rose Callan, Jeane Johnston, Bess Campbell, Bessie McClanahan, Mary Ryan, Daisy Murphy, Frances Granger, Geneva Parsons, Lola Snider and Mrs. Laura Leckie.

The re-election of our efficient corps of teachers insures for Monett the same progress in school work for next year that we have had the year past. The Monett school is fast taking rank with the best schools of the state.

## Biliousness and Constipation

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood—Mrs. ROSA POTTS, Birmingham, Ala. These tablets are for sale by all druggists.

Mr. J. B. Wormington, the new road boss is working the roads in this locality.

The sick in this vicinity are improving but those distressed in mind and finance have found no relief.

Miss Nell Howard spent Saturday night with Miss Fannie Gaydou.

Almost all the young people of these parts attended the oyster supper at B. C. Wolfe's given in honor of the Misses Addah and Mayme Longly of Cassville.

The fruit crop was badly damaged in this section of the country by the late freeze but it is estimated that about 25 or 30 percent of the peaches and cherries are yet uninjured.

## WORK THAT TELLS.

### Plenty of It Has Been Done Right Here In Monett

Cares that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Monett. People who testified years ago to relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Monett sufferer longer doubt the evidence?

J. W. Snyder, Harvey House, Monett, Mo., says: "I was a victim of kidney complaint for at least ten years and my back was lame and painful. The kidney secretions at times became too frequent in passage and dizzy spells and head aches were common. About four years ago when suffering in this way I began using Doan's Kidney Pills, procured from Knapp's drug store and before long they completely cured me."

The above statement was given in December 1906 and was confirmed by Mr. Snyder on December 9, 1908, he said: "I can still recommend Doan's Kidney Pills highly, although two years have passed since I used them. I cannot say too much in favor of this excellent remedy."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

"Mrs. Briggs of the Poultry Yard" has been pronounced a decided success in the neighboring towns where it has been given.
